

Storytellers with a Camera

Please look at the following album layout carefully. If you see something you would like to have changed, please notify us by email.

If you haven't done so already, please fill out the leather album style sheet. It is on this form that you will pick leather color, page color, imprinting, etc.

We do our very best to design a book that is exactly the number of pages included in your album. If, however the layout runs over, additional pages are \$30 per page.

Please keep in mind that all images will be trimmed 1/8 of an inch by the album maker. We continue to be happy to work with you to create lasting memories of your wedding day. Please let us know if you have any questions!
